Testimonials

"John has shown exceptional interpersonal skills in dealing with ... staff. [He] adds an extra dimension to the dynamics of the group."

Larysa Koshil
Manager
Burnhamthorpe Branch
Mississauga Library System

"As the person responsible for the e-Librarian e-mail account, John's ... answers are well-researched and well-written."

Jennifer Hance
Electronic Access Coordinator
Vaughan Public Libraries

"I would like to acknowledge the excellent presentation you made at the Board Meeting. You presented a high standard of quality... demonstrating [your] skills and commitment."

Frances Stocker
Strategic Development
Manager
Vaughan Public Libraries

PROFESSIONAL PROFILE

Public service oriented, highly computer literate Public Librarian with experience providing front-line programming and reference and information services to all age groups, with particular expertise in Children's librarianship.

- Experienced provider of reference and information services in public library settings, with additional experience providing same in public archives.
- Presently a Children's Librarian responsible for planning, managing, and delivering targeted children's programming (Reading Clubs, class visits, Storytimes, March Break specials, etc.) and information services.
- Currently responsible for the supervision of four non-professional staff, including coordinating responsibilities in children's programming and information services delivery.
- Experience with collections development and management, with particular expertise in children's fiction and non-fiction and electronic information (web sites and subscription databases).
- Planned, organized, and continues to deliver adult "Introduction to the Internet" and "E-Mail Made Easy" training programs.
- Familiar with circulation functions and duties, including check-in, check-out, customer account service, cash handling responsibilities and acting as librarian in charge.
- Broad experience writing, editing, and producing finding aids, library guides, pathfinders, and other information access aids, as well as managing and producing library publicity.
- Highly proficient, standards compliant HTML/DHTML/CSS web programmer and designer, both "by hand" and using code editing tools such as Dreamweaver (see Vaughan Public Libraries' <http://www.vaughanpl.com> and [KidZone](http://www.kidzone.com) for examples).
- Participated in the set-up, launch, maintenance and delivery of "Global Librarian", an innovative, Ontario Library Association award-winning virtual reference service (<http://www.globallibrarian.info>).

John Leo Jung

"In instances where John is part of group efforts, he has participated fully and energetically."

Sharon P. Larade
Regional Archivist
Region of Peel Archives

"His written guides to collections [are] logically organized and thoughtfully written."

Ann ten Caté
Regional Archivist
Region of Peel Archives

"Mr. Jung has shown himself capable of working on his own as well as under supervision. He enjoys challenging work and is able to grasp quickly the needs of a particular project."

Dr. Stephen C. Willis
Head, Manuscript Collection
Music Division
National Library of Canada

- Extensive experience with managing, writing, and editing original Web site content in both library and non-library settings.
- Award-winning web designer (e.g., Family Channel and Canadian Film Centre).
